Model FITO	Product description	Outer box pieces	EAN nr
SD218 	Autonomous optical 9V smoke alarm, including 9V block battery with 1 year lifespan and double-sided adhesive strip.	100	8 713686 005697
ASD-5 	Autonomous optical 3V smoke alarm, including 2x1.5V AAA batteries with a lifespan of at least 5 years and double-sided adhesive strip.	72	8 713686 002436
ASD-10Q 	Autonomous optical 3V smoke alarm, including fixed 3V lithium battery with a lifespan of 10 years and double-sided adhesive strip.	72	8 713686 002306
HA-163 	Heat alarm including 9V block battery lifespan 1 year.	48	8 713686 001040
HA-163L 	Heat alarm including 9V lithium battery lifespan 10 years.	48	8 713686 001088
ASD-10QR 	Wirelessly connectable smoke alarm, 868.1 Mhz, including 3V fixed lithium battery with a lifespan of 10 years and double-sided adhesive strip.	72	8 713686 002405
AHD-10QR 	Wirelessly connectable heat alarm, 868.1 Mhz, including 3V fixed lithium battery with a lifespan of 10 years and double-sided adhesive strip.	72	8 713686 003730
ASD-RRC 	Remote control for the ASD/AHD-10QR, 868.1 Mhz. To be used to test and HUSH the alarms.	24	8 713686 002399
Livisense Mhub 	With the MHub Essential, you can control the Fito ASD/AHD-10QR alarms and intrusion sensors from Livisense with your smartphone.	1	8 713686 006601
QR-NA 12V 	Relay panel for the ASD/AHD-10QR, 868.1 Mhz for connection of alarm system and fire alarm panel or other external devices that are 12V powered.	1	8 713686 002511
QR-NA 24V 	Relay panel for the ASD/AHD-10QR, 868.1 Mhz for connection to freeswing door closer or other external devices powered by 24V DC.	1	8 713686 002528
PPIB 	Plug & play installation box 230V AC - 24V DC for the ASD/AHD-10QR smoke or heat alarm. To be used to control freeswing door closers or other devices powered by 24V DC.	1	8 713686 009541
FIT-230 	Optical 230V smoke alarm including 9V backup battery, wired connectable up to 40 units.	48	8 713686 000319
FIT-23010 	Optical 230V smoke alarm including 9V lithium backup battery, wired connectable up to 40 units.	48	8 713686 000326
FITH-230 	230V heat alarm including 9V backup battery, wired connectable up to 40 units.	48	8 713686 000333
FITH-23010 	230V heat alarm including 9V lithium backup battery, wired connectable up to 40 units.	48	8 713686 000357
FIT-TB24V 	Relay built-in including 24V converter and Fail-safe function in the bottom plate of the FIT(H)-230(10) to control freeswing door closers or other devices powered by 24V DC.	100	8 713686 000692
FIT-TB230 	Built-in relay in base plate including 24 V inverter + smoke alarm FIT-230 to control freeswing door closers or other devices powered by 24V DC.	12	8 713686 009862
FIT-TB23010 	Built-in relay in base plate including 24 V inverter + smoke alarm FIT-23010 to control freeswing door closers or other devices powered by 24V DC.	12	8 713686 009879

Model FITO	Product description	Outer box pieces	EAN nr
FIT-230RF	 Wirelessly connectable 230V smoke alarm, including 9V backup battery, wirelessly connectable 868 Mhz up to 40 units.	48	8 713686 000494
FIT-230RFL	 Wirelessly connectable 230V smoke alarm, including 9V lithium backup battery, wirelessly connectable 868 Mhz up to 40 units.	48	8 713686 000487
FITH-230RF	 Wirelessly connectable 230V heat alarm, including 9V backup battery, wirelessly connectable 868 Mhz up to 40 units.	48	8 713686 000449
FITH-230RFL	 Wirelessly connectable 230V heat alarm, including 9V lithium backup battery, wirelessly connectable 868 Mhz up to 40 units.	48	8 713686 000463
FIT-TR24V	 Relay base for freeswing door closer including 24V converter and Fail-safe, for the entire 230V FIT/FITH series.	100	8 713686 000685
FIT-NP5R	 Relay base switch ON/OFF for the entire 230V FIT/FITH series.	100	8 713686 000401
FIT-10YRF	 Wirelessly connectable smoke alarm, 868 Mhz, including 3V fixed lithium battery with a lifespan of 10 years. Wirelessly connectable with FIT-230RF(L), FITH-230RF(L) and FIT-PRGRF.	48	8 713686 000593
FIT-PRGRF	 Control Unit, 868 Mhz, for FIT-230RF(L) and FITH-230RF(L) and FIT-10YRF. With the Control Unit, you can test, mute and locate the wirelessly connected alarms in the event of a (false) alarm.	48	8 713686 000630
STOVE GUARD PIPO NL	 EVO STOVE GUARD NL prevents kitchen fires. A stove guard that automatically shuts off electricity to the cooktop at dangerous temperatures. Perilex plug & play.	1	6 430025 092355
STOVE GUARD TITO BE	 EVO STOVE GUARD BE prevents kitchen fires. A stove guard that automatically shuts off electricity to the cooktop at dangerous temperatures. Fixed installation.	1	6 430025 092362
MTG-3000H	 12V gas alarm, including 230V adapter and cigarette lighter plug. Detects flammable gases such as LPG, LNG, propane, methane and natural gas.	48	8 713686 001644
GDP-3000	 FITO portable gas detection device. Includes 2 pieces of replaceable AA batteries. Detects natural gas, propane, butane, LPG and LNG.	48	8 713686 001668
FITO CO2-O2	 FITO air quality, temperature and humidity meter, powered by 230V, using the included AC-DC adapter 5V/1A.	20	8 713686 004522
CO-968	 Carbon monoxide alarm includes 2 replaceable AA batteries and has a sensor lifespan of 10 years.	48	8 713686 004409
CO-968-10Y	 Carbon monoxide alarm with a built-in lithium battery and has a sensor lifespan of 10 years.	48	8 713686 004423
CO-968D-10Y	 Carbon monoxide alarm including a display and a built-in lithium battery and has a sensor lifespan of 10 years.	48	8 713686 004447
CO-828	 Carbon monoxide alarm including 2 replaceable AA alkaline batteries and has a sensor lifespan of 10 years.	40	8 713686 004645

Model FITO	Product description	Outer box pieces	EAN nr
MAG-70 	Magnetic mounting set Ø 70 mm for smoke, heat and carbon monoxide alarms.	80	8 713686 004355
Smokesabre 	Testgas Smokesabre 150 ml, environmentally friendly test gas.	12	5 060184 300803
F52-PNL 	2 Liter foam extinguisher fire class ABF with Dutch 'Rijkskeur' approval. It is equipped with a plastic holder for mounting on the wall.	4	8 713686 004089
F56-LH XF 	6 Liter foam extinguisher fire class AB with Dutch 'Rijkskeur' approval. Fluorine-free (PFAS-free). Comes with a metal wall bracket for wall mounting.	1	8 713686 004119
KB-100 	Fito Profi-line fire blanket 1 x 1 m, coated fiber cloth in one piece.	20	8 713686 001989
KB-120	Fito Profi-line fire blanket 1.2 x 1.2 m, coated fiber cloth in one piece.	20	8 713686 001842
KB-128	Fito Profi-line fire blanket 1.2 x 1.8 m, coated fiber cloth in one piece.	10	8 713686 001910
KB-180	Fito Profi-line fire blanket 1.8 x 1.8 m, coated fiber cloth in one piece.	10	8 713686 001873
ASD-CAGE 	Iron protection cage for ASD series, including mounting material. Provides protection against tampering, damage and theft.	60	8 713686 001736
FIT-CAGE 	Iron protective cage for the FIT series, including mounting material. Provides protection against tampering, damage and theft.	30	8 713686 001729
R200S-1 	Autonomous 3V smoke alarm Honeywell Home, including 3V fixed lithium battery with a lifespan of 10 years.	40	3 603940 006490
R200S-N1 	Wirelessly connectable smoke alarm Honeywell Home, 868 Mhz. including 3V fixed lithium battery with a lifespan of 10 years. Also connectable with Honeywell Home CO alarm R200C-N1.	40	5 059088 000254
R200C-1 	CO alarm Honeywell Home, including 3V fixed lithium battery, 10 years lifespan.	40	3 603940 006476
R200C-N1 	Wirelessly connectable CO alarm Honeywell Home, 868 Mhz. including 3V fixed lithium battery with a lifespan of 10 years. Also connectable with Honeywell Home smoke alarm R200S-N1.	40	5 059088 000230
